

Alert for Highlighting

`\item<n->\alert<n>\{stuff}` is better than the previous automatic one.

```
\begin{itemize}
\item<2->\alert<2> Every thing
\item<2->\alert<3> that has
\item<2->\alert<4> beginning
\item<2->\alert<5> has end.
\end{itemize}
```

Alert for Highlighting

`\item<n->\alert<n>\{stuff}` is better than the previous automatic one.

```
\begin{itemize}
```

```
\item<2->\alert<2> Every thing
```

```
\item<2->\alert<3> that has
```

```
\item<2->\alert<4> beginning
```

```
\item<2->\alert<5> has end.
```

```
\end{itemize}
```

- Everything

- that has

- beginning

- has end.

Alert for Highlighting

`\item<n->\alert<n>{stuff}` is better than the previous automatic one.

```
\begin{itemize}
```

```
\item<2->\alert<2> Every thing
```

```
\item<2->\alert<3> that has
```

```
\item<2->\alert<4> beginning
```

```
\item<2->\alert<5> has end.
```

```
\end{itemize}
```

- Everything

- **that has**

- beginning

- has end.

Alert for Highlighting
